

# BMM Shala – New Cultural Program

2024-26

# Introducing Cultural Program

- The second generation kids have a big disconnect from our culture.
- Parents have a choice to pick between Marathi Shala vs. Chinmaya Mission (or similar).
- Idea here is to introduce our culture in an easy to understand format (Marathi and English language options will be available – English is recommended for wider reach).
- BMM Certificates will be awarded to successful students.
