

My respectful greetings to all of you 🙏🙏

First and foremost, I would like to welcome, congratulate, and appreciate all the candidates!

I, **Rajan Shridhar Pednekar**, would like to humbly announce my candidacy for the position of **BMM Secretary (2025–2028)**.

“Let us support each other and walk together on the right path.”

As volunteers, we have all come together with unity, positivity, and dedication to serve BMM, and my goal is to continue this journey with even greater strength and collaboration.

During my previous term as **Treasurer**, I gained a deeper understanding of BMM’s operations, team coordination, and organizational management. Based on this experience, I am committed to bringing **effective communication, strong coordination, and transparent processes** in the role of Secretary.

Vision – Why I am running for Secretary

My clear objective is to build a **well-structured, transparent, and efficiently managed BMM** driven by strong communication and continuity.

- Strengthen communication across all BMM stakeholders (Mandals, Committees, Volunteers)
- Ensure decision-making processes are transparent and well-documented
- Preserve the legacy of past work while building a strong foundation for future teams
- Create a more engaged, informed, and connected community

Key Priorities / Goals

Effective Communication:

Ensure clear, timely, and structured communication between BMM leadership and the community

Documentation & Transparency:

Maintain proper records of meetings, decisions, and processes to ensure continuity and transparency

Stronger Coordination:

Enable smoother collaboration among committees, mandals, and volunteers

Community Engagement:

Encourage broader participation and increase engagement in BMM initiatives

Process Improvement:

Make systems and processes simpler, more efficient, and sustainable
